The 2013 RBI Austin Summer League ended with a bang when we partnered with the Round Rock Express to bring their in-game experience to the 9-10 year old Jr. RBI Championship Game. All in attendance enjoyed free BBQ, great baseball, and entertainment that couldn't be beat! With the Express' PA announcer on the mic and games calling for crowd participation every inning, Triple A for a Day was a memorable way to cap off a successful summer. We'd like to extend a big thanks to the Express and everyone who came out and hope to make this an annual event!
