From Him the whole body, joined and knitted firmly together by what every joint supplies, when each part is working properly, causes the body to grow and mature, building itself up in love.

Ephesians 4:16

KEY ACCOMPLISHMENTS

RECORD VOLUNTEER NUMBERS

Volunteers continue to be the lifeblood of our organization – supplying the physical hands and feet needed to keep our programs alive and thriving for our **1,706 RBI Austin kids!** With a record number of **659 volunteers** serving **49,898 hours** in 2025, we are beyond grateful for the people who continue to freely give their time and talents to support our mission!

HOME ON THE HORIZON

With your help, we secured a **\$1.3 million challenge grant from the Mabee Foundation** and met the fundraising challenge needed for our future facility! We kept the momentum going and hit a major milestone with **site plan variance approvals** from the Environmental Commission and the Zoning & Platting Commission. As we move through the permitting process, we pray for God's continued favor and to break ground in 2026.

ACADEMY TO COLLEGE

In 2025, **9 of 9** RBI Baseball Academy graduates went on to play college baseball and **1 of 3** RBI Softball Academy graduates went on to play college athletics – a milestone showing the life-changing impact of our program. We expect an increase in these numbers as we also **grew our number of Academy teams from two to four** this year. This wouldn't be possible without your Academy player sponsorships!

PLAYER SPOTLIGHT

Judaya Coulson, Huston-Tillotson • **Troy Haefs**, Huston-Tillotson • **Damon Herrera**, Blinn College • **Lauryn Jackson**, Texas A&M University–Corpus Christi • **Lezlie Jackson**, Robeson Community College • **Cameron Miles**, Arlington Baptist University • **Jordan Owens**, UTSA • **Bryce Paschel**, Huston-Tillotson • **Laude Reyes**, Huston-Tillotson • **Jacovy Smith-Poole**, Huston-Tillotson
