Jr. RBI Opening Day

June 1st was dubbed Opening Day for the 2013 Jr. RBI baseball and softball summer league! At this festival, the RBI Staff celebrated with the 300+ players and parents by enjoying juicy hot dogs, running rampant on a giant inflatable slide, and cooling off with tasty sno cones!

While Opening Day was primarily for fun and games, it also served as a venue for players and parents to pick up their uniforms, meet coaches and teammates, and establish practice schedules.

High-fives were traded, smiles and faces of excitement were shared, and just like that the 2013 summer season was underway.

Big thanks to our Jr.RBI Summer League sponsor, AM Technical Solutions, for making **Technical Solutions®** this all possible!
