KEY ACCOMPLISHMENTS

Launched Inaugural Softball Academy

Led by Olympian Cat Osterman, this in-depth academy develops girls in faith, athletics, and academics. This past year, 28 teenage girls received mentoring on and off the field and learned what it looks like to be faithful in their commitments to softball, school, and a relationship with God. This academy truly embodies what RBI Austin is all about!

Engaged More Kids Than Ever Before

God has continued to provide the resources, community members, volunteers, finances, and partnerships to increase the number of kids served through RBI Austin.

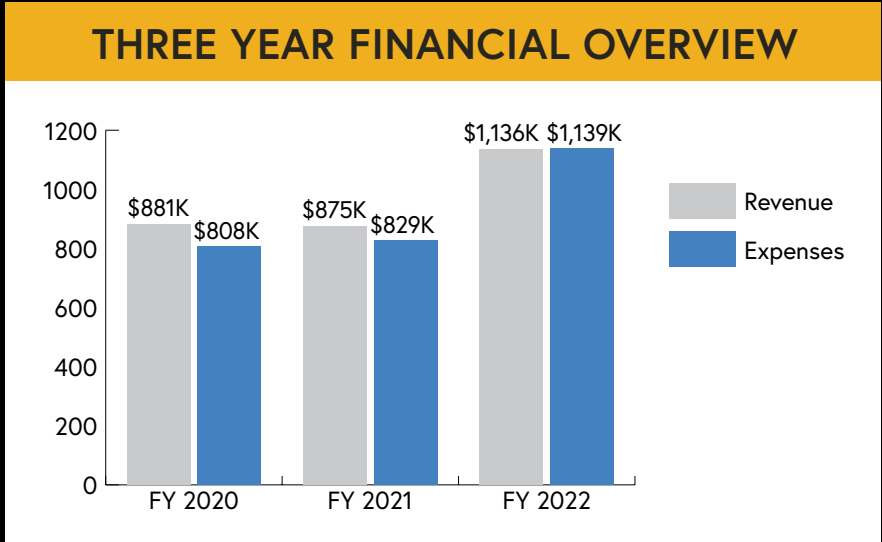

This year, 1,577 kids participated in RBI Austin – the most in our 12-year history! We also had a record number of 567 volunteers. This wouldn't have been possible without the continued faithfulness of our RBI Austin community. Thank you!

Completed Property Rezoning for Future Home of RBI Austin

In 2018, RBI Austin acquired 33 acres of land in East Austin for a future youth development complex. An important step towards building a facility was getting the property rezoned. This year, Austin City Council approved our rezoning case, which enables the land to be used for our mission!

We cannot wait to build a year-round home on this property for relationships to deepen and thrive. This was a huge answer to prayer. We're grateful for God's faithfulness and provision as we continue in the process of creating a permanent home for the RBI Austin community.

HEAVEN'S STORY

After experiencing bullying, moving to a new town, and a sports-related injury, Heaven was hesitant to start playing softball again.

"I lacked confidence and was fearful of getting hurt," Heaven shared. "But I decided to start playing for RBI Austin, and I'm so glad that I did."

In Fall 2021, RBI Austin launched its inaugural softball academy, the Cat Osterman Softball Academy (COSA) Powered by RBI Austin, and Heaven earned a spot on the team.

"We wanted to give our softball athletes an opportunity to continue training and developing year-round," shared U.S. Olympian Cat Osterman. "Not just in the sport, but also in the life skills that go along with it."

"We've seen that it's a game changer for these girls to have coaches who are there to help them navigate hard things on and off the field," said Osterman.

"COSA and RBI built my confidence back up...helping me get back to the player that I was," Heaven said. "Nobody can tear me down because I will come up again. The bonds you create from RBI, the opportunities that you get from being a part of it, are life changing."

FAITHFULNESS

Know therefore that the LORD your God is God; he is the faithful God, keeping his covenant of love to a thousand generations of those who love him and keep his commandments.
