Launched Inaugural Softball Academy

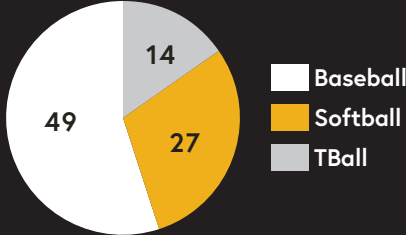

Led by Olympian Cat Osterman, this in-depth academy develops girls in faith, athletics, and academics. This past year, **28 teenage girls** received mentoring on and off the field and learned what it looks like to be faithful in their commitments to softball, school, and a relationship with God. This academy truly embodies what RBI Austin is all about!

Engaged More Kids Than Ever Before

God has continued to provide the resources, community members, volunteers, finances, and partnerships to increase the number of kids served through RBI Austin.

90 Teams

This year, 1,577 kids participated in RBI Austin – the most in our 12-year history! We also had a record number of 567 volunteers. **This wouldn't have been possible without the continued faithfulness of our RBI Austin community. Thank you!**

Completed Property Rezoning for Future Home of RBI Austin

In 2018, RBI Austin acquired 33 acres of land in East Austin for a future youth development complex. An important step towards building a facility was getting the property rezoned. This year, Austin City Council approved our rezoning case, which **enables the land to be used for our mission!**

We cannot wait to build a year-round home on this property for relationships to deepen and thrive. This was a huge answer to prayer. We're grateful for God's faithfulness and provision as we continue in the process of creating a permanent home for the RBI Austin community.
