SUMMER 2022

## SWEET SUMMERTIME

Across the city of Austin, dugouts are full with players laughing, learning, and making friends.

New relationships are forming and old relationships are deepening. We have a record-breaking number of teams this year, and 1,374 kids are part of a summer team.

It's our favorite time of the year, and our amazing donors and sponsors make it possible. **Thank you!**

# Sponsor Spotlight

A huge thank you to the Byrne Real Estate Group and AM Technical Solutions for their support of our summer leagues. We're incredibly grateful for these two mission-minded companies who have faithfully invested in the lives of our RBI Austin kids and families this summer and beyond.

## RBI AUSTIN SUMMER LEAGUE SPONSOR

*RBI Austin's mission to bring youth together through God and sports is genius. I've looked for years for a group that pours into the community, has a foundation of Faith, and would allow me and my team to be hands-on involved. Not only does RBI embrace this through volunteerism and donations, RBI encourages it through leagues, clinics, and workshops opportunities.*

*You can dive as deep as you want into the community and be supported by the most unbelievable group of people I've ever had the honor of knowing. The energy and love surrounding this mission from everyone involved is the best of the best. And its baseball, kids and God. I'm so thankful God called me and my team to RBI Austin's mission. It fills my heart to be involved and I'm thankful to be a part of their extraordinary community. - Clay Byrne, Byrne Real Estate Group*

## JR. RBI SUMMER LEAGUE SPONSOR

*RBI Austin continues to make a huge impact in the lives of kids and families in our home market of Austin, Texas. Since 2013, AM Technical Solutions has proudly sponsored the organization as a Jr. RBI League Sponsor. We firmly support their mission to build up kids through sports and to help each participant strengthen their bond with each other, with God, and with their community.*

*We anticipate continuing our relationship with RBI Austin to reach even more kids in Central Texas through the vehicles of baseball and softball. By providing more local children with the opportunity to play organized sports, RBI Austin is making a significant difference in the lives of kids who will be future leaders in our community. We look forward to supporting the growth of the organization!*

*Hey, Coach Jacob!*

Jacob Carr, RBI Austin alum, has served as a summer operations coordinator the past two summers with us. Here he is coaching the 14U Baseball Vikings.

## RBI AUSTIN ALUMNI HIGHLIGHT

RBI Austin alumni coming back to serve on staff or volunteer with us may very well be one of our favorite things ever.

Seeing former players desire to serve their community and to invest in younger generations is literally what we dream about.

So, we are thrilled to introduce Jacob Carr. Jacob started playing with RBI Austin in 2015. The past two summers Jacob has served on our summer staff as an operations coordinator.

Why did he decide to work for RBI Austin?

"I came back to RBI Austin to gain experience in coaching and to give back to the community. RBI has been so positive and beneficial to players from East Austin like myself. I came back because I respect what RBI Austin stands for, and how the program impacts young Black males like myself. RBI has helped me grow in Christ and develop skills in the summer to better my game."

We're incredibly grateful for Jacob, his servant heart, his quiet leadership, his reliability, and his work ethic.
